

SAT Test Prep

Getting into a good college can be a long and difficult process. A challenging and critical part of applying to college is getting good test scores on SAT & ACT exams. Education Therapy provides individual and small group SAT & ACT examination preparation tutoring at affordable prices. Unlike larger group SAT “courses” Education Therapy is able to use your student’s time wisely to focus on the areas of greatest need. All SAT & ACT test preparation plans are customized to meet the individual student needs.
